Terms & Conditions:

- Natural stone color, veining, and character varies. Samples represent only general characteristics of the quarry. There is a variation from shipment to shipment and within each shipment.
- If your job requires more than one crate, it is your responsibility to blend the crates to make sure it will be accepted by your client.
- Extra material must be ordered for waste, cuts, and material selection. We recommend a minimum of 10% for regular cuts and as much as 30% for diagonal cuts.
- Please use moisture-sensitive thin-set for all white marble, all limestone, and Cement products to prevent water stains, or bleeding. Water must be clean. Use premium white thin-set otherwise.
- Please open all the boxes and dry lay all the material to blend in before installation for customer approval.
- If you order additional material, it is your responsibility to make sure it matches the current lot.
- You must use grout release or sealer before grouting.
- We recommend at least a 1/8" joint in all installations to prevent expansion and contracting.
- Natural stone is a product of nature and it may have minor imperfections, pits, holes, fill, etc. These are considered inherent characteristics of natural stone.
- Variation of shade and color is inherent in natural stone and handmade tiles. We are liable for any variation in shade and/or color between tiles received and sample tiles.
- Any questions regarding the color, design, or quality of tiles must be resolved prior to installation. Use constitutes acceptance and absolutely no adjustments or returns will be made thereafter. Any and all questions regarding acceptability must be resolved within 30 days of the date of delivery.
- We are not liable for any damages which may result from shortages or overage of tiles. Buyer expressly assumes all responsibility regarding the quantity of tiles ordered. The buyer is responsible for ordering and matching additional lots.
